Link your NIGHTSUN® / STARBURST with our new SpectroLink

Date Posted: 8/9/2007

SpectroLink System - Spectrolab, Inc. will soon be introducing SpectroLink. SpectroLink is an integrated linking system from the searchlight, to a thermal imager or video camera. SpectroLink will be offered for new and existing SX-5 Starburst and SX-16 Nightsun® searchlight systems. The SpectroLink system will include all of the functionality of current aftermarket linking systems, with a higher degree of accuracy. The SpectroLink system will be available for limited deliveries starting in April of 2006. For more information please contact our ILS Marketing department, toll free, at (800) 936-4888 or through e-mail at illumination@spectrolab.com
